

Dear Valued Tropical Roofing Products Customers,

As the Covid-19 situation continues to impact our normal routines, Tropical Roofing Products is taking responsible actions to ensure the safety and well-being of our employees, customers, and distribution partners.

Tropical Roofing Products remains committed and focused on maintaining our service and supplying the high-quality roof coating products that our valued customers require to keep working and operating their business'.

Tropical is fully operational and open for business. Our plants and all support operations are functioning. Please continue to place orders via telephone, email and or fax. Our sales and technical team are always available to help via phone, email, Facetime, Skype or Zoom.

We are following the CDC's guidelines and doing our part in slowing the spread of Covid-19 including practicing social distancing by cancelling and rescheduling any on site demo's or, training classes or face to face appointments.

For your convenience, visit our easy to navigate website or mobile app 24/7/365 to access our entire product line, including all catalogs, technical data sheets, SDS, specifications, certifications & approvals, and the helpful Product Estimator and Specification Search Tools. www.tropicalroofingproducts.com

To further assist our distribution partners by respecting minimal contact, Tropical Roofing Products will perform jobsite deliveries for Acrylic/Silicone coatings and implement-no minimum order quantities.

The roof coatings category inherently allows for minimal contact and disruption by virtue of smaller required labor crews mitigating risk to the contractor team, the building owner and occupants.

Tropical Roofing Products will always do our best to meet our obligation to our customers, staff and the industry at large all while acting with proper health and safety policies.

While great challenges may lie ahead, the Tropical Roofing Products team is fully confident our team has the experience and dedication to support each other and our customers until a sense of normalcy returns to our daily personal and professional lives.

Thank you for your continued support and confidence in Tropical Roofing Products.

With Appreciation,

Michael King
